

CERTIFICATE OF TEST

No. **CO 0832180016 - 00 - 00**

We certify that the textile material declared

RETROREFLECTIVE MATERIAL
with separated performance
65% polyester 35% cotton backing, silver-grey colour
VizLite® 201

submitted by

PREALUX S.r.l.

Via Angeretti, 30 24055 Cologno al Serio BG - Italy

has been tested by Centro Tessile Cotoniero e Abbigliamento Laboratory and complies with the Standard:

EN ISO 20471:2013/A1:2016 - High-visibility warning clothing
for the following requirements:

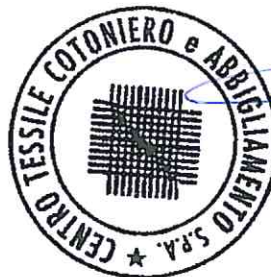

- 6.1 Retroreflective performance requirements of new material
- 6.2 Retroreflective performance after abrasion, flexing, folding at cold temperatures, exposure to temperature variation, washing (50 cycles 60°C – F tumble dry max 60°C), dry cleaning (10 cycles) and influence of rainfall

Full details of test conditions and results are given in:

Test report 18RA01866 07th February 2018

Date of issue
07th February 2018

Approved by PPE and
Certification Manager
Marco Colli

Notes:

- 1 The applied standards are those in force on the date on the present Certificate. The validity of the certificate is not assured if reviewed standards are issued
- 2 This certification must not be confused neither with the CE certificate of examination released by Notified Body or with the conformity declaration the manufacturer must release before CE Marking.
- 3 This certification applied to the particular sample tested and to the specific tests carried out as dated and detailed in the report referenced above. It does not signify any measure of approval, certification, supervision, control or surveillance by the Centro Tessile Cotoniero e Abbigliamento S.p.A. to this on any related product.
